HAND JAM

15 g

- High vitamin E content - 5%
- Natural organic oils
- Paper ecological packaging

Informations

Unique and tested formula, significantly accelerates skin regeneration. When the upper layer of the skin is damaged, it is important to avoid contamination and prevent water loss. If the skin does not begin to heal within a few hours, **scarring of other skin defects will occur**. The skin would then be hardened and not as elastic as before the defect.

Our unique combination of organic beeswax of pharmacopoeial quality, which perfectly protects the damaged skin structures, and oils can prevent these processes.

Corn and wheat germ oils contain high levels of essential fatty acids to prevent water loss in the skin, along with high levels of **vitamin E** which increases skin elasticity.

HAND JAM is in the shape of a handy cube, and can be used on the entire body skin. It can be used for intensive regeneration of damaged skin (cuts, abrasions, burns, hardened skin, etc.), but also as a routine treatment wherever more skin nourishment is needed (dry skin, dry patches on the skin of the hands, feet, etc.). Its essential oil content is antiseptic and accelerates healing.

Ingredients

Olea Europea Fruit Oil

Prunus Amygdalus Amara Kernel Oil

Cera alba

Simmondsia Chinensis Seed Oil

Squalene

Calendula Officinalis Flower Oil

Zea Mays Germ Oil

Cymbopogon Winterianus Leaf Oil

LIP BALM

9g

- High vitamin E content - 5%
- Natural organic oils
- Paper ecological packaging

Informations

A well-known thing that can always be done differently. Nourishing, moisturizing, protecting all with long lasting effect, without the urge to apply again and again.

Packed in recycled 100% natural paper tube.

A collection of deeply moisturizing ingredients like beeswax, organic jojoba oil, almond oil and organic olive work protect your pout while a gentle vanilla tingle provides a subtle pick-me-up. And with the high content of **panthenol** and **vitamin E**, your lips will always be perfect. Keep this one on hand for a serious dose of moisture or sweetness whenever you need it...

Ingredients

Olea Europea Fruit Oil

Prunus Amygdalus Amara Kernel Oil

Cera alba

Simmondsia Chinensis Seed Oil

Vanilla Planifolia Fruit Oil

Panthenol

Tocopherol

BODY OIL

100 | 150 ml

- High vitamin E content - 5%
- Natural organic oils
- Also suitable for the prevention of stretch marks and other damage caused by overexertion of the skin
- Lavender essential oil from France and England
- Vegan

Informations

Perfect choice to soothen and regenerate your skin, hydrate after hot shower or to just relax your muscles after a tough day. While high **vitamin E** content regenerates the skin barrier, the combination of olive and almond oil works together perfectly to hydrate the skin and help to regain its natural elasticity.

Lavender essential oil from France and England is great choice to massage your sore muscles. It acts as relaxant and anti-inflammatory agent. Its scent is known to calm, relieve stress and encourage sleep.

Ingredients

Olea europea fruit oil

Prunus Amygdalus Amara Kernel Oil

Lavandula Angustifolia Oil

alpha-tocopherol

SPLASH

150 ml

- High Panthenol content (10%)
- Optimizes skin pH
- OAT LIPID E
- Suitable for all skin types
- Vegan

Informations

A two-component hydro lotion that shakes to create the perfect elixir for your skin. It has been developed as a quick regeneration of the skin after sunbathing, thanks to its high content of **Panthenol** (10%) and **vitamin E**.

When applied to the skin, it cools it down and the substances start to perform their function. It balances the disturbed pH, hydrates and soothes irritated skin. Oat extract (**OAT LIPID E**) prevents further water loss thanks to ceramides, thus slowing down skin and skin aging.

Can be used after sunbathing, to cleanse the skin or just as a refreshing hydro lotion.

Ingredients

Prunus Amygdalus Amara Kernel Oil

Avena Sativa Kernel Oil

Silica

Cocoyl Proline

Water

Panthenol

Sodium Benzoate

Citric acid

Sodium citrate

Jasminum Grandiflorum Flower Extract

Lavandula Angustifolia Oil

Rosmarinus Officinalis Leaf/Stem Oil

Melaleuca Ericifolia Leaf Oil

DAILY REGENERATION

80 g

- Bisabolol from Chamomile helps to regenerate the negative effects of sunlight
- High concentration of vit. E
- Panthenol (5%) moisturizes the skin, and helps its regeneration
- Suitable for dry and combination skin types

Informations

Our modern version of the time-tested „**COLD CREAM**“, which combines the properties of beeswax and oils.

A high concentration of **panthenol** (5%) ensures rapid regeneration of irritated skin and other types of wounds, **vitamin E** restores skin elasticity, and citric acid and sodium citrate help quickly restore and stabilize the skin's protective acid layer (pH).

Almond oil and olive oil effectively moisturize and hydrate the skin, while jojoba oil provides rapid regeneration of the skin's natural barrier and natural UV protection factor.

Can be used as a day cream when caring for the skin, beard or entire body.

TANNING OIL

10 SPF | 150 ml

- Blocking UVA / UVB
- NON-NANO (Reef Safe)
- Contains probiotically active substances
- Suitable for dry/combination skin type
- Vegan

WATER
RESISTANT

Oat
cosmetics

Informations

A unique blend of plant oils from and extracts of Oats (**OAT LIPID E**) that regenerates, moisturizes and restores the skin while leaving protection from the sun. Due to its rich ceramide content, Oats lends this oil highly regenerative properties, helping to smooth wrinkles and unify skin. **Raspberry oil** and **Rose oil**, by their composition, help to reduce the negative effect of sunlight, prevent water loss and thus help to slow down skin aging.

Last but not least, **Tamanu oil** ensures with its anti-inflammatory nature that acne-prone and atopic skin will be protected from adverse environmental influences.

Ingredients

Simmondsia Chinensis Seed Oil

Olea Europaea Fruit Oil

Rosa Canina Seed Oil

Calophyllum Inophyllum Seed Oil

Rubus Idaeus Seed Oil

Prunus Amygdalus Amara Kernel Oil

Triticum Vulgare Germ Oil

Avena Sativa Kernel Oil

Oat
cosmetics

Informations

A unique blend of vegetable oils, shea butter and oat flour that regenerates, moisturizes and restores skin while leaving a protective barrier against the sun. Oats (**OAT LIPID E**), thanks to its rich ceramide content, gives this oil highly regenerative properties, helping to smooth wrinkles and unify the skin.

Raspberry oil and Rose oil help reduce the negative effects of sun exposure, prevent water loss and help slow skin ageing.

Last but not least, the presence of **Tamanu Oil** and Oat Flour, by their nature, ensures that skin prone to acne and atopic eczema will be protected from adverse environmental influences and the **probiotic microorganisms** on the skin will be in harmony with the human body.

Ingredients

Simmondsia Chinensis Seed Oil

Olea Europaea Fruit Oil

Butyrospermum Parkii Butter
